Important Announcement: Elevating to ASIA Sustainable Energy Week 2025

Dear Valued Customers,

We, Informa Markets in Thailand, as the leading organizer are excited to announce a strategic elevation from ASEAN Sustainable Energy Week to **ASIA Sustainable Energy Week** - ASIA's most comprehensive international exhibition and conference on Renewable Energy, Energy Efficiency, and Energy Storage Technology. This expansion strengthens our position as one of the premier platforms for the sustainable energy sector in ASIA. Aligned with our commitment to continuous development, this evolution fosters innovation, collaboration, while creating business opportunities on broader scale for industry leaders, innovators, and stakeholders. Additionally, it reinforces Thailand's role as a hub for cutting-edge sustainable energy solutions, supporting technological advancements and digital transformation across key industries.

ASIA Sustainable Energy Week 2025 – With over 35 years of expertise and strong industry connections, we have been at the forefront of the renewable energy market in this region. This year, we are expanding beyond ASEAN to the broader ASIA stage. The event will feature international pavilions from China, Finland, Germany, Japan, Korea, Singapore, Switzerland and United Kingdom, showcasing cutting-edge innovations and solutions. Moreover, we are ready to welcome more than 1,500 leading brands and international buyers from 65 countries. This event aims to fostering global collaboration and business opportunities in the sustainable energy sector by connecting key decision-makers together through a dynamic trade exhibition and also highlight conferences from policy-shapers.

We look forward to welcoming you in 2nd- 4th July 2025 at Queen Sirikit National Convention Center (QSNCC), Bangkok, Thailand to be part of this exciting milestone and evolution.
